

No matter where you live in Australia if you can see the northern sky you can get Fast Satellite Broadband

- **Free Installation & Equipment for eligible customers**
- **7 days per week Help Desk in Australia**
- **100% Australian owned**
- **No Excess Data Charges**

You may be eligible for a subsidised Broadband Satellite Internet service if you are unable to access a metro-comparable Broadband Service or, have a current ABG service that has been installed for 3 years or more, or no longer have access to your previous subsidised service through no fault of your own.

Check Eligibility

To obtain a service under the NBN, the first step is to register with the NBN. You can call us and we can check your eligibility on 1300 886 230 or by calling **NBN on 1800 883 488**, or use the online NBN tool which will determine your eligibility and register your intent to obtain the service. The NBN tool for this purpose is located at <https://bcoms.dbcde.gov.au/NBNBSL>
